

SUGAR IN DEMAND.

Part of New Year's Hawaiian Crop Already Purchased.

According to a Philadelphia dispatch of December 1st sugar will be a scarce article in the United States next year. In anticipation of the scarcity of sugar in Cuba, owing to the uprisings of the Cubans against Spain, the Philadelphia and New York merchants have already taken time by the forelock in their efforts to their efforts to secure themselves against any delay in filling their orders, and have purchased from Honolulu planters upward of \$30,000 tons of sugar, to be delivered here and in New York in the early spring.

On November 30th the charters were reported of eight American clipper ships to carry to Philadelphia and New York from Honolulu the cargoes. The ships already taken for the business are the *Troquois*, *Roanoke*, *Henry Villard*, *Reaper*, *Occidental*, *W. F. Babcock*, *Indiana*, and *Drigo*, and they are expected to arrive at the Eastern ports early in the spring.

A SPECIALTY

Little May Bentley

Born a Genius

Disease Threatens to Cut
Short a Noble Career

But Hood's Sarsaparilla Restores
Good Health.

Little May Bentley is an accomplished elocutionist and natural born speaker of only 13 years of age. She is the only child temperance lecturer before the public. Her genius, however, did not exempt her from an attack of a disease of the blood. Her own words best tell the story: "C. L. Hood & Co., Lowell, Mass.:

"I heartily join with the many thousands that are recommending Hood's Sarsaparilla. I had been troubled from infancy with gatherings in the head. I was compelled to leave school upon the doctor's advice. He thought it was the only thing to save my life, but I

Continued to Grow Worse. I was persuaded finally by a friend to try Hood's Sarsaparilla. The use of one bottle acted ef-

fectively upon the blood and I began to improve. After the use of three bottles the gathering ceased and I am cured of my former trouble. I owe my life and will always remain a true friend to Hood's Sarsaparilla." LILLIE MAY BENTLEY, Shelbyville, Indiana. GET HOOD'S.

Hood's Pills act easily, yet promptly and efficiently, on the liver and bowels. 25c.

Save Money!

You throw away dollars every year in broken lamp chimneys. Better stop it now while you can get a preparation that will prevent a chimney from breaking when put on wet. Prof. Humbolt's anti-explosive compound will do this and will prevent the explosion of kerosene oil and gasoline. We are sole agents for this preparation as well as for the New Ideal Sewing Machine, the equal to any high priced article, and we sell it for \$30 and \$35 with attachments. 15000 feet of mouldings for picture frames just received by the "Albert," also oval and circular frames, something new and elegant.
